INDEX TO VOLUME 69

This volume of the *American Journal of Orthopsychiatry* is indexed by SUBJECTS and AUTHORS.

SUBJECTS

Adolescence
Childhood stress and symptoms of drug dependence in adolescence and early adulthood: Social phobia as a mediator, 61
Development of ethnic identity in Asian-American adolescents: Status and outcome, 194
Impact of environment on adolescent mental health and behavior: Structural equation modeling, 73
Intentions to use alcohol among fifth and sixth graders: The roles of social and stress/coping motives, 541
In the eye of the beholder: Risk and protective factors in rural American Indian and Caucasian adolescents, 294
Problem behavior of adolescents whose parents are living with AIDS, 228
Risk factors for depressive symptoms in late adolescence: A longitudinal community study, 370
Who are they with and what are they doing? Delinquent behavior, substance use, and early adolescents' after-school time, 247
Young clients' exposure to community violence: How much do their therapists know?, 382

Adoption
Adult transracial and inracial adoptees: Effects of race, gender, adoptive family structure, and placement history on outcomes, 87
Adoption of a sibling: Reactions of biological children at different stages of development, 122
Effects of qualities of early institutional care on cognitive attainments, 424
National lesbian family study: 2. Interviews with mothers of toddlers, 362
Psychopathology in adopted and nonadopted children: A clinical sample, 403

AIDS/HIV
HIV/AIDS mental health training for health care providers: An evaluation of three models, 240
Problem behavior of adolescents whose parents are living with AIDS, 228

American Orthopsychiatric Association
In parting [editorial], 5
President, American Orthopsychiatric Association, 1999–2000, 274
Salutations [editorial], 7

Behavior Problems
Coping strategies and behavior problems of urban African-American children: Concurrent and longitudinal relationships, 182
Family-based preventive intervention: An approach to preventing substance use and antisocial behavior, 278
Impact of environment on adolescent mental health and behavior: Structural equation modeling, 73
Problem behavior of adolescents whose parents are living with AIDS, 228
Psychosocial stressors among sheltered homeless children: Relationship to behavior problems and depressive symptoms, 127
Who are they with and what are they doing? Delinquent behavior, substance use, and early adolescents' after-school time, 247

Bereavement
Anticipating parental death in families with young children, 39

Caregivers
Physical and emotional well-being of custodial grandparents in Latino families, 305
Predicting caregiver stress: An ecological perspective, 100

Child Abuse/Neglect
Childhood maltreatment and the mental health of low-income women, 161
Effects of qualities of early institutional care on cognitive attainments, 424
Maternal social support patterns and child maltreatment: Comparison of maltreating and nonmaltreating mothers, 172

Psychosocial stressors among sheltered homeless children: Relationship to behavior problems and depressive symptoms, 127
Who are they with and what are they doing? Delinquent behavior, substance use, and early adolescents' after-school time, 247

Bereavement
Anticipating parental death in families with young children, 39

Caregivers
Physical and emotional well-being of custodial grandparents in Latino families, 305
Predicting caregiver stress: An ecological perspective, 100

Child Abuse/Neglect
Childhood maltreatment and the mental health of low-income women, 161
Effects of qualities of early institutional care on cognitive attainments, 424
Maternal social support patterns and child maltreatment: Comparison of maltreating and nonmaltreating mothers, 172

Perceived social skills and social competence in maltreated children, 465

Child Custody
College sudents' perceptual stigmatization of the children of lesbian mothers, 220
Physical and emotional well-being of custodial grandparents in Latino families, 305

Child Development/Rearing
Adoption of a sibling: Reactions of biological children at different stages of development, 122
Anticipating parental death in families with young children, 39
Coping strategies and behavior problems of urban African-American children: Concurrent and longitudinal relationships, 182
Early parental separation and the psychosocial development of daughters 6–9 years old, 49
Ecological approach to development in children with prenatal drug exposure, 448
Effects of father participation in child rearing: Twenty-year follow-up, 328
Effects of qualities of early institutional care on cognitive attainments, 424
Long-term effects of internment during early childhood on third-generation Japanese Americans, 19
Psychopathology in adopted and nonadopted children: A clinical sample, 403
Stability of temperament over the childhood years, 457
Who are they with and what are they doing? Delinquent behavior, substance use, and early adolescents' after-school time, 247

Child Psychiatry
Integrating play therapy in the treatment of children with obsessive-compulsive disorder, 495
Psychopathology in adopted and nonadopted children: A clinical sample, 403
Stability of temperament over the childhood years, 457

Chronic Mental Illness
Fathers with severe mental illness: Characteristics and comparisons, 134
Integrating play therapy in the treatment of children with obsessive-compulsive disorder, 495
When violence happens to people with mental illness: Disclosing victimization, 398

Community Mental Health
Dangerous places: Exposure to violence and its mental health consequences for the homeless, 438
Fighting poverty and building community: Learning from programs that work, 420
Young clients' exposure to community violence: How much do their therapists know?, 382

Corrections
Violence victimization experiences of pregnant prisoners, 392

Crime
When violence happens to people with mental illness: Disclosing victimization, 398

Cross-Cultural/Sociocultural Issues
Adult transracial and inracial adoptees: Effects of race, gender, adoptive family structure, and placement history on outcomes, 87
Adversity and psychosocial competence of South African children, 319
Clinical work with minorities in Japan: Social and cultural context, 482
Effects of qualities of early institutional care on cognitive attainments, 424
In the eye of the beholder: Risk and protective factors in rural American Indian and Caucasian adolescents, 294
Long-term effects of internment during early childhood on third-generation Japanese Americans, 19

Delinquency
Who are they with and what are they doing? Delinquent behavior, substance use, and early adolescents' after-school time, 247

Depression
Childhood maltreatment and the mental health of low-income women, 161
Perceptions of control and long-term recovery from rape, 110
Physical and emotional well-being of custodial grandparents in Latino families, 305
Postpartum affect and depressive symptoms in mothers and fathers, 30
Psychosocial stressors among sheltered homeless children: Relationship to behavior problems and depressive symptoms, 127
Risk factors for depressive symptoms in late adolescence: A longitudinal community study, 370

Divorce/Separation
College sudents' perceptual stigmatization of the children of lesbian mothers, 220
Early parental separation and the psychosocial development of daughters 6–9 years old, 49

Education
Blaming the helpers: The marginalization of teachers and parents of the urban poor, 515

Emotional Disturbance
Dangerous places: Exposure to violence and its mental health consequences for the homeless, 438
Physical and emotional well-being of custodial grandparents in Latino families, 305
Predicting caregiver stress: An ecological perspective, 100

Environment
Impact of environment on adolescent mental health and behavior: Structural equation modeling, 73

Ethnicity/Race
Adult transracial and inracial adoptees: Effects of race, gender, adoptive family structure, and placement history on outcomes, 87
Adversity and psychosocial competence of South African children, 319
Clinical work with minorities in Japan: Social and cultural context, 482
Coping strategies and behavior problems of urban African-American children: Concurrent and longitudinal relationships, 182
Development of ethnic identity in Asian-American adolescents: Status and outcome, 194
Hair combing interactions: A new paradigm for research with African-American mothers, 504
In the eye of the beholder: Risk and protective factors in rural American Indian and Caucasian adolescents, 294
Long-term effects of internment during early childhood on third-generation Japanese Americans, 19
"Making it": The components and process of resilience among urban, African-American, single mothers, 148
Physical and emotional well-being of custodial grandparents in Latino families, 305

Families
Adult transracial and inracial adoptees: Effects of race, gender, adoptive family structure, and placement history on outcomes, 87
Anticipating parental death in families with young children, 39
Family-based preventive intervention: An approach to preventing substance use and antisocial behavior, 278
Fathers with severe mental illness: Characteristics and comparisons, 134
Long-term effects of internment during early childhood on third-generation Japanese Americans, 19
"Making it": The components and process of resilience among urban, African-American, single mothers, 148
National lesbian family study: 2. Interviews with mothers of toddlers, 362
Predicting caregiver stress: An ecological perspective, 100
Physical and emotional well-being of custodial grandparents in Latino families, 305

Family Violence
"Patient was hit in the face by a fist..." A discourse analysis of male violence against women, 116

Fathers
Effects of father participation in child rearing: Twenty-year follow-up, 328
Fathers with severe mental illness: Characteristics and comparisons, 134
Postpartum affect and depressive symptoms in mothers and fathers, 30

Gender
Adult transracial and inracial adoptees: Effects of race, gender, adoptive family structure, and placement history on outcomes, 87
In the eye of the beholder: Risk and protective factors in rural American Indian and Caucasian adolescents, 294
Risk factors for depressive symptoms in late adolescence: A longitudinal community study, 370

Group Treatment
Professional appraisal of professionally led and self-help groups, 536

Hair Combing
Hair combing interactions: A new paradigm for research with African-American mothers, 504

Homelessness
Dangerous places: Exposure to violence and its mental health consequences for the homeless, 438
Predictors of homelessness among participants in a substance abuse treatment program, 261
Psychosocial stressors among sheltered homeless children: Relationship to behavior problems and depressive symptoms, 127
Security of attachment and parenting: Homeless and low-income housed mothers and infants, 337

Homosexuality
College sudents' perceptual stigmatization of the children of lesbian mothers, 220
Lesbian identity development: An examination of differences across generations, 347
National lesbian family study: 2. Interviews with mothers of toddlers, 362
Utilization of psychotherapy by lesbians, gay men, and bisexuals: Findings from a nationwide survey, 209

Infancy
Ecological approach to development in children with prenatal drug exposure, 448
Neonatal temperament, maternal interaction, and the need for "alonetime," 9
Security of attachment and parenting: Homeless and low-income housed mothers and infants, 337

Marriage
Postpartum affect and depressive symptoms in mothers and fathers, 30

Men
"Patient was hit in the face by a fist..." A discourse analysis of male violence against women, 116

Mother-Child Relationship
Childhood maltreatment and the mental health of low-income women, 161
Ecological approach to development in children with prenatal drug exposure, 448

Hair combing interactions: A new paradigm for research with African-American mothers, 504
Maternal social support patterns and child maltreatment: Comparison of maltreating and nonmaltreating mothers, 172
National lesbian family study: 2. Interviews with mothers of toddlers, 362
Neonatal temperament, maternal interaction, and the need for "alonetime," 9
Postpartum affect and depressive symptoms in mothers and fathers, 30
Security of attachment and parenting: Homeless and low-income housed mothers and infants, 337

Parenting
Blaming the helpers: The marginalization of teachers and parents of the urban poor, 515
Effects of father participation in child rearing: Twenty-year follow-up, 328
"Making it": The components and process of resilience among urban, African-American, single mothers, 148
Maternal social support patterns and child maltreatment: Comparison of maltreating and nonmaltreating mothers, 172
National lesbian family study: 2. Interviews with mothers of toddlers, 362
Physical and emotional well-being of custodial grandparents in Latino families, 305
Postpartum affect and depressive symptoms in mothers and fathers, 30
Security of attachment and parenting: Homeless and low-income housed mothers and infants, 337

Phobia
Childhood stress and symptoms of drug dependence in adolescence and early adulthood: Social phobia as a mediator, 61

Poverty
Adversity and psychosocial competence of South African children, 319
Blaming the helpers: The marginalization of teachers and parents of the urban poor, 515
Childhood maltreatment and the mental health of low-income women, 161
Ecological approach to development in children with prenatal drug exposure, 448
Fighting poverty and building community: Learning from programs that work, 420
Maternal social support patterns and child maltreatment: Comparison of maltreating and nonmaltreating mothers, 172
Physical and emotional well-being of custodial grandparents in Latino families, 305
Predictors of homelessness among participants in a substance abuse treatment program, 261
Security of attachment and parenting: Homeless and low-income housed mothers and infants, 337

Pregnancy
Violence victimization experiences of pregnant prisoners, 392

Prevention
Family-based preventive intervention: An approach to preventing substance use and antisocial behavior, 278
Fighting poverty and building community: Learning from programs that work, 420

Professional Issues
"Patient was hit in the face by a fist..." A discourse analysis of male violence against women, 116
Post-traumatic stress symptomatology among health care professionals in Croatia, 529
Professional appraisal of professionally led and self-help groups, 536
Quality assessment in a medicaid managed mental health care plan: An Iowa case study, 410
Young clients' exposure to community violence: How much do their therapists know?, 382

Professional Training
HIV/AIDS mental health training for health care providers: An evaluation of three models, 240

Psychotherapy
Clinical work with minorities in Japan: Social and cultural context, 482
Utilization of psychotherapy by lesbians, gay men, and bisexuals: Findings from a nationwide survey, 209
Young clients' exposure to community violence: How much do their therapists know?, 382

Residential Treatment
Effects of qualities of early institutional care on cognitive attainments, 424
Young clients' exposure to community violence: How much do their therapists know?, 382

Resilience/Coping
Adversity and psychosocial competence of South African children, 319
Coping strategies and behavior problems of urban African-American children: Concurrent and longitudinal relationships, 182
"Making it": The components and process of resilience among urban, African-American, single mothers, 148

Rural Mental Health
In the eye of the beholder: Risk and protective factors in rural American Indian and caucasian adolescents, 294

Schizophrenia
Subjective experience in schizophrenia: Factors influencing self-esteem, satisfaction with life, and subjective distress, 254

When violence happens to people with mental illness: Disclosing victimization, 398

Self Concept
Childhood maltreatment and the mental health of low-income women, 161
Development of ethnic identity in Asian-American adolescents: Status and outcome, 194
Lesbian identity development: An examination of differences across generations, 347
Perceived social skills and social competence in maltreated children, 465
Subjective experience in schizophrenia: Factors influencing self-esteem, satisfaction with life, and subjective distress, 254

Self-Help
Professional appraisal of professionally led and self-help groups, 536

Service Delivery
Fighting poverty and building community: Learning from programs that work, 420
HIV/AIDS mental health training for health care providers: An evaluation of three models, 240
Quality assessment in a medicaid managed mental health care plan: An Iowa case study, 410
Utilization of psychotherapy by lesbians, gay men, and bisexuals: Findings from a nationwide survey, 209

Sexual Abuse
Childhood maltreatment and the mental health of low-income women, 161
Perceptions of control and long-term recovery from rape, 110
Violence victimization experiences of pregnant prisoners, 392

Sexual Orientation
Lesbian identity development: An examination of differences across generations, 347
Utilization of psychotherapy by lesbians, gay men, and bisexuals: Findings from a nationwide survey, 209

Siblings
Adoption of a sibling: Reactions of biological children at different stages of development, 122

Social Behavior
Adversity and psychosocial competence of South African children, 319
Intentions to use alcohol among fifth and sixth graders: The roles of social and stress/coping motives, 541
Perceived social skills and social competence in maltreated children, 465

Social Policy
Fighting poverty and building community: Learning from programs that work, 420

Social Support/Networks
Lesbian identity development: An examination of differences across generations, 347
Maternal social support patterns and child maltreatment: Comparison of maltreating and nonmaltreating mothers, 172
Predictors of homelessness among participants in a substance abuse treatment program, 261

Stigma
Blaming the helpers: The marginalization of teachers and parents of the urban poor, 515
College sudents' perceptual stigmatization of the children of lesbian mothers, 220

Stress/Trauma
Adversity and psychosocial competence of South African children, 319
Childhood stress and symptoms of drug dependence in adolescence and early adulthood: Social phobia as a mediator, 61
Intentions to use alcohol among fifth and sixth graders: The roles of social and stress/coping motives, 541
Perceptions of control and long-term recovery from rape, 110
Physical and emotional well-being of custodial grandparents in Latino families, 305
Postpartum affect and depressive symptoms in mothers and fathers, 30
Post-traumatic stress symptomatology among health care professionals in Croatia, 529
Predicting caregiver stress: An ecological perspective, 100
Psychosocial stressors among sheltered homeless children: Relationship to behavior problems and depressive symptoms, 127

Substance Use/Abuse
Childhood stress and symptoms of drug dependence in adolescence and early adulthood: Social phobia as a mediator, 61
Ecological approach to development in children with prenatal drug exposure, 448
Family-based preventive intervention: An approach to preventing substance use and antisocial behavior, 278
Intentions to use alcohol among fifth and sixth graders: The roles of social and stress/coping motives, 541
Predictors of homelessness among participants in a substance abuse treatment program, 261
Who are they with and what are they doing? Delinquent behavior, substance use, and early adolescents' after-school time, 247

Temperament
Neonatal temperament, maternal interaction, and the need for "alonetime," 9
Stability of temperament over the childhood years, 457

Urban Issues
Coping strategies and behavior problems of urban African-American children: Concurrent and longitudinal relationships, 182
Dangerous places: Exposure to violence and its mental health consequences for the homeless, 438
"Making it": The components and process of resilience among urban, African-American, single mothers, 148
Physical and emotional well-being of custodial grandparents in Latino families, 305
Predictors of homelessness among participants in a substance abuse treatment program, 261
Problem behavior of adolescents whose parents are living with AIDS, 228
Psychosocial stressors among sheltered homeless children: Relationship to behavior problems and depressive symptoms, 127

Violence
Adversity and psychosocial competence of South African children, 319
Dangerous places: Exposure to violence and its mental health consequences for the homeless, 438
"Patient was hit in the face by a fist..." A discourse analysis of male violence against women, 116
Violence victimization experiences of pregnant prisoners, 392
When violence happens to people with mental illness: Disclosing victimization, 398
Young clients' exposure to community violence: How much do their therapists know?, 382

War
Long-term effects of internment during early childhood on third-generation Japanese Americans, 19
Post-traumatic stress symptomatology among health care professionals in Croatia, 529

Welfare
Fighting poverty and building community: Learning from programs that work, 420

Women/Girls
Childhood maltreatment and the mental health of low-income women, 161
College sudents' perceptual stigmatization of the children of lesbian mothers, 220
Early parental separation and the psychosocial development of daughters 6–9 years old, 49
Lesbian identity development: An examination of differences across generations, 347
National lesbian family study: 2. Interviews with mothers of toddlers, 362
"Patient was hit in the face by a fist..." A discourse analysis of male violence against women, 116
Utilization of psychotherapy by lesbians, gay men, and bisexuals: Findings from a nationwide survey, 209
Violence victimization experiences of pregnant prisoners, 392
